9. (Confidential - JGO) At his request, I met briefly with Mr. Richard Moose, Staff Consultant, Senate Committee on Foreign Relations, who asked if we could assist the Committee in getting copies of the Executive Order or whatever that underlies the President's announcement of 5 November concerning the reorganization of the intelligence community. I told Mr. Moose that I had discussed this matter with Jim Lowenstein, of the Committee staff, before he went into the hospital and had advised Mr. Lowenstein that the Federal Register of 8 November listing the Presidential documents of the week of the 5th identified a single document that was identical in text to the published release of 5 November. Mr. Moose commented that apparently the Committee will have to address its question to the White House to which I agreed.
